

Border Pay

**The payment rail of the
all-island economy.**

Stablecoin payments between Northern Ireland and
Ireland

The regulatory moat *is the founder*

Olga Thompson

Founder & CEO · MLRO (SMF17) · CAMS

15 years in financial crime, AML and regulatory compliance. As MLRO at Telleroo, led FCA EMI authorisation.

“Most stablecoin founders race to figure out compliance. Olga is compliance.”

PAYMENTS & AUTHORISATION

5 Years in Payments

SMF17/16 at Telleroo. Built compliance from zero & led FCA interviews.

INSTITUTIONAL BANKING

8 Years at Citi

Global infrastructure insider. FX settlements & EMEA high-risk KYC.

Next Hires:

CTO (Solana Native)

Exp shipping on-chain financial products at scale.

Business Development

NI / Ireland connections. B2B fintech sales background.

Why Northern Ireland to Ireland?

ANNUAL CORRIDOR VALUE

£14.6bn

of intra-Ireland trade per 2024

Source: InterTradeIreland

A unique bilateral market, structurally underserved

- Access to UK and EU Markets
- Two regulatory regimes
- Dense SME population
- Geographic and cultural proximity

Corridor as wedge — UK / EU as the prize

NI ↔ IRE

£14.6bn

UK ↔ EU

£820bn

Global SME FX

\$22tn

To send £35,000 from NI into EUR on 09/05

Bank of Ireland

2.0% to the mid-market rate.

You send

£35,000

Recipient gets

10% MARKET CAPTURE (SOM)

£88k / yr

Solar only. All SME sectors → 5x

I'd absolutely use this. The bigger win is if my customers could pay me directly in stablecoin.

— Darrell Thompson, Clover

Dual-rail payments

STABLECOIN RAIL

0.3% flat fee

Settle in <30 seconds, 24/7/365

- Solana settlement layer
- EURC (Circle, MiCA-licensed) + future BDRP*
- On/off-ramp into GBP and EUR

FIAT RAIL

0.5% flat fee

Same-day GBP - EUR via partner banks

- UK SEMI then Full EMI
- Lithuanian SEMI passport (covers all EU)
- SEPA + Faster Payments rails

BDRP* — dual-pegged stablecoin (50/50 GBP/EUR)

Built on Solana, fully reserved, audited monthly. Aspires to be the native settlement coin of the all-island economy.

How do we win the market?

Corridor Growth

+16%

Year-on-year SME volume increase

Outpacing the Giants

Local Knowledge > Global Generic

Local Support vs. Days of Delay

Integrations with XERO, QuickBooks

speed

Unmatched Speed

Real-time settlement <24 hours, beating legacy "slow" standards.

savings

Superior Economics

Flat 0.3% fee—no hidden FX markups found in platforms like Revolut.

map

Island-First Strategy

Specialised for 35,000+ SMEs trading weekly across the NI/ROI corridor.
